

**Disclaimer:** Given the speed at which new laws, regulations and policies have been implemented to control the COVID-19 pandemic, it is possible that the responses below will be impacted.

The information contained or presented on this website is presented solely for educational purposes only on matters of interest for the personal use of the reader, who accepts full responsibility for its use. The information is provided with the understanding that the authors and publishers are not herein engaged in rendering medical, pharmaceutical, nutritional, mental health, legal, or any other professional advice or services. As such, it should not be used as a substitute for consultation and advice from a licensed professional in the specific field of interest who will provide recommendations based on your particular situation and factual background. Do not make any decisions based on the information contained or presented on this website without consulting an appropriate professional.

While we have made every attempt to ensure the information contained in this site has been obtained from reliable sources, Canadian Covid Care Alliance (CCCA) is not responsible for any errors or omissions, or for the results obtained from the use of this information. All information in this site is provided “as is,” with no guarantee of completeness, accuracy, timeliness or of the results obtained from the use of this information, and without warranty of any kind, express or implied, as to the fitness for any particular purpose. Nothing herein shall to any extent substitute for the independent investigations and judgement of the reader. Information, laws and regulations are continually changing, and can be interpreted only in light of particular factual situations.

Certain links in the website connect to other sites maintained by third parties that may or may not be presented within a frame on the website. CCCA has not verified the contents of such third-party sites and does not endorse, warrant, promote or recommend any of the information or opinions that may be provided or accessed through them or any person or body which may provide them.
